

HOW TO REGISTER FOR ADDITIONAL TEACHER ACCOUNTS

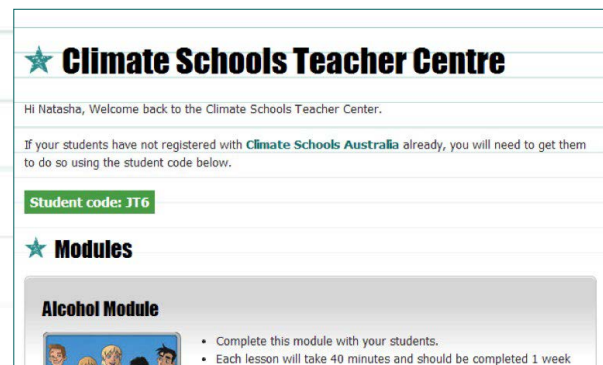

If another teacher at your school has an existing Climate Schools account, follow the instructions below to add additional Teacher Accounts to your School Account.

Before you can register for a Teacher Account, you will need to get your 3 digit Teacher Code (each school has a unique code). There are **three different ways** of getting this code:

METHOD 1

Ask a teacher at your school who has a Climate Schools account to go to <https://www.climateschools.com.au/> and login using their username and password. Once logged in, they should see your school's unique 3 digit Teacher Code displayed in a green box.

METHOD 2

Any teachers at your school who have an existing Teacher Account, should have received a confirmation email from info@climateschools.com.au when their account was created. This confirmation email will display your school's unique 3 digit Teacher Code.

METHOD 3

You can email info@climateschools.com.au to ask for your school's unique Teacher Code.

Once you have obtained your school's unique 3 digit Teacher Code, follow the steps below to register an additional Teacher Account (linked with your School's Account.).

STEP 1

Go to <https://www.climateschools.com.au/>

STEP 2

Along the top bar, find and click the *Teachers* link.

STEP 3

Fill out the form with your Teacher Code, email address and password. Then click the *Register* button.

★ Teacher Registration	
Teacher code *	T16
<small>To register, you will need your 3 character 'Teacher Code'.</small>	
First name *	Sara
Surname *	Cannes
Create username (email) *	s.cannes@cths.nsw.edu.au
<small>Your username must be an email address.</small>	
Create password *
Confirm password *
<button>Register</button>	

STEP 4

You now have a Teacher Account for Climate Schools (you do not need to wait for approval). You should now be directed to the Teacher Centre which has links to all Climate Schools resources.
